			<p>Opening up dialogue and opportunities for students to engage with themselves</p> <p>Physical and digital elements to increase transparency, communication, and accessibility to what we do</p> <p>Responsibility to the student body versus outside organizations such as our beneficiary</p> <p>Continuous build up is what led to the writing of this article.</p> <p>We can't force people to take the resources we provide them with, but they have to be provided.</p> <p>Many fallacies in the article as a result of misinformation and miscommunication, which is our responsibility. We need to clear everything up.</p> <p>Community council is a really good resource for us to connect. How do we better it if reps are not connecting/going to homeroom/conveying that information to their homerooms.</p>
