S.O.A.R. (10 mins)	- Approval from SIT to continue with the three central ideas of infomercial, mural, and catchphrase
	  - Chavis is iffy, best to have script and storyboard to present to him
	  - Locate a space for the mural and get Art club or artists on board
	  - Brainstorm S.O.A.R. catchphrase that could be used during morning
		-

	announcements, Chavis' Sunday calls - General merch - Buttons and stickers from staff participation, especially to be given to incoming students at Flight School - SEL, just relate it back to SOAR	

Brainstorming S.O.A.R. (15 mins)	- Direct brainstorming/share designs
	    - What we want on a poster, regardless of design, solid requirements
	    - Consolidating who designs to graphics/art/cc people (but also if someone's interest)
	    - What we like/dislike
	- Take inventory on the connections people have
	    - Equity, Graphics, Eagle Productions, etc
		-

Extra Announcements (5 mins)	- How to increase student participation for Community Council
	- Coming up with a more accurate definition of what a community council rep looks like
	- What community council looks like next year.
		- Give information is nice
		    - Makes a remind w/ homeroom (good method)
		    - Still, give it to everyone in front of your HR and talk about it
		    -
		- Likes having projects
		    - This continues as projects continues
		- Weekly meetings?
		- Liaisons team?
		    - Connecting all different branches of student leadership and school involvement
